**ORDER REGARDING TIME TO APPEAL**

On February 21, Counsel for the Chapter 7 Trustee forwarded to chambers an email from Mitchell Kossoff, who is incarcerated, requesting a substantial extension of time to appeal from the Court's recent decision and order resolving issues pertaining to an amended IRS proof of claim. The Court asked counsel for the trustee to provide a response to Mr. Kossoff, and, by this Order, the Court memorializes the substance of its response and incorporates it in the relevant cases' records. The Court declines to enter relief at this time with respect to any party's time to commence an appeal. The Court calls Mr. Kossoff's attention to Bankruptcy Rules 8002(a) (which generally sets a deadline to notice appeals of 14 days from entry of the order being appealed); 8002(c) (which details procedures for appeals by an inmate confined in an institution); and 8002(d) (concerning applications to extend the time to file a notice of appeal). The Chapter 7 Trustee is directed to inform Mr. Kossoff of this order by email with a hard copy to be sent by mail. The Chapter 7 Trustee is to file a certificate or other proof of service of the order.

It is so ordered.
